IT'S SPRING CLEANING TIME!

2026 ELECTRONICS & HAZARDOUS WASTE RECYCLING EVENT

Safely dispose of your outdated electronics and hazardous waste by taking advantage of Senior Village's annual recycling event in collaboration with Suburban Miners.

From 9 am to noon on March 28 you can load up your car with anything from the approved list on the right and head to the MountainView Clubhouse lower parking lot to take part in the event.

This event is one of the many ways that Senior Village supports SaddleBrooke. It is a win-win for our community and the planet. Please help by disposing of these items properly.

The cost is $10 per carload. There is an additional $10 fee for flat-screen TVs and $20 for older CRT TVs.
